

Dear Parents, Governors and Friends of St Andrew's

Friday 6th July 2018**Aspire Week**

We had a brilliant week in school thinking about different jobs and aspirations. A **big thank you** to all our parents, friends and community members for giving their time to such a special week.

The children, visitors and staff thoroughly enjoyed it!

**Dogs**

It is recognised that dogs are an important part of family life and as such are often included in walking children to and from school. However, others may find the presence of dogs in the playground and school grounds stressful, even frightening particularly with younger children, and even well-behaved dogs can behave unpredictably when placed in a busy, noisy and crowded environment. For the safety of the dog, as well as for the benefit of others, do not tie your pet to the school fence and leave it unattended. For these reasons please wait on Union Road when bringing your dog on the school run.

Wardle Trust Variety Performance

On Wednesday night Wardle Academy hosted a variety performance with all the schools in the trust. St Andrew's CE Primary performed along with Kentmere, St James' and Wardle Academy. It was a brilliant night and our children were amazing!

Welcome

We held the welcome meetings for the new Reception and Nursery parents. At the meetings it was wonderful to see so many parents, teachers, governors and year 6 pupils. A big thank you to all the year 6 pupils who came back after to school to show our new reception parents the school and talk about their time at St Andrew's.

Regards Mrs J Rainford and all St Andrew's staff
