Attendance 2017-2018		
	Pupils eligible for PP (Our School)	Pupils not eligible for PP (Our School)
End of Year percentage (average)	92.3%	95.5%

School Key Priorities (2017-2018)

- To improve the quality of teaching and learning
- To match provision to the needs of the individual child
- To improve the accountability of leaders and individual teachers for the progress of all pupils
- To develop the distinctiveness and effectiveness of St Andrew's as a church school

1. Desired outcomes (2017-2018)

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Pupil Premium Children will make good progress across the school year.	<ul style="list-style-type: none"> • Children will make at least 3 average point score progress across the year. • The progress of Pupil Premium children will be in line or better than non-pupil premium.
Impact – Pupil Premium children have made very good progress this last year. The end of year assessments have shown that they have made slightly better progress than the non-pupil premium children.		
B.	Children will access the level of support matched to their individual needs	<ul style="list-style-type: none"> • Children will be supported appropriately following the plan, do, and review process. • All children will have access to High Quality First Teaching • Support will be provided to children with identified gaps in their learning. • Children will have access to a curriculum matched to their needs which is differentiated. • Children will have access to extracurricular opportunities and experiences both in and out of school.
Impact – Although not all pupil premium children made expected standard the progress they have made has been very good and better than non-pupil premium children. The support the children have received has had a positive impact on progress.		
C.	To support and develop the social and emotional well-being of the children through a nurtured approach.	<ul style="list-style-type: none"> • Families will be supported through the Early Help Process • Family worker is available should families need advice and support. • St. Andrew's has a whole school nurture ethos • Children & families will be supported carefully, sensitively and appropriately to their needs.
Impact - Nurture support this year has been focused on staff being well-informed of children's needs and being available to support the children with changing needs. Time has been provided for children to talk through their thoughts and feelings. Working with parents, professionals and other relevant parties we have provided the children with a calm, safe and approachable experience. 10 families have been supported through the Early Help Process with the family worker and Inclusion Manager leading and supporting. The family worker has engaged with an increasing number of families offering advice and support.		

D.	The attendance of Pupil Premium children will be in line with the whole school average across the year.	<ul style="list-style-type: none">• Pupil Premium attendance will be 95% or better• Children & Families will be supported with a range of strategies and opportunities to promote good attendance.
Although the attendance percentage is lower than the school percentage it is still encouraging that it is in the 90% mark. Several challenges have been faced this year by increasing illness particularly from cases of infectious conditions that cause children to be away from school for an amount of time. We have made several attempts to work with parents and carers to improve attendance. Encouragement to take holidays and breaks away from term-time. Offered to support to get children to and from school including family worker help.		

Expenditure		
<i>Action</i>	<i>Cost</i>	<i>Outcome</i>
Level 3 Teaching Assistants provided to support the children's learning. <ul style="list-style-type: none"> • Children will be supported in class to achieve at least 3 average point score progress. • Interventions matched to the children's individual needs 	£84,095.84	<ul style="list-style-type: none"> • A range of strategies are used to support the children's learning. These are through group work and individual support. • Strategies include guided work, shared work, modelled, interventions and one 2 one support where necessary. Pull-back intervention is an effective strategy used in class. • Work and support is directed and managed by the class teacher. • Adults will intervene where they feel the child needs extra support or guidance. • Adults are aware of children's needs and will intervene as appropriate. • Nurture and Support interventions catered for targeted children.
Improved access to a range of extracurricular opportunities <ul style="list-style-type: none"> • Music, Arts, Sports, Science, Maths and English opportunities. • Music tuition opportunities • Gifted and Talented events 	£14,927.15	<ul style="list-style-type: none"> • Swimming tuition paid for • Access to Residential Opportunities • School Trips subsidised • Sporting opportunities paid for • Access to enrichment opportunities: Aspiration Week • Music Tuition • Music Exam qualification fees paid • Halle Orchestra event • North West Gifted & Talented Master class opportunity • Transportation costs to enrichment events
Children's social and emotional well-being supported <ul style="list-style-type: none"> • Support provided to children' s individual circumstances • Families supported through the Early Help Process before they reach crisis point. • Nurture Provision provided in class for the children to discuss feelings, share concerns, and share successes. (Additional time spent with an adult) 	£30,277.01	<ul style="list-style-type: none"> • Family Support Worker bought in from St. Patricks RC Academy to support families in need of advice or support equivalent of 1 day per week. • Welfare needs catered for e.g. P.E. kits, uniform, food • Access to before and after school • Children have the opportunity to discuss their feelings and share their concerns.
	£129,300
